“It has been a true blessing to serve Onslow County as the “FCA Lady/Team Mom”! God has called me to STAND; encouraging and empowering Coaches and Athletes to do the same. It is with great humility that I have been blessed with such a calling. I know for a fact that I cannot do this alone - it takes a TEAM! Thank you in advance for partnering with me to push back darkness for the sake of the Gospel and be the hands and feet of Jesus!”
