“I have a vision! I see Duplin County Schools being a light in a dark world. Haven’t you seen it too? Because of what our Coaches and Athletes have experienced in FCA, they are having a change of heart regarding their platform as Coaches and Athletes. Countless teams have taken the lead on transforming their Campus for Christ beginning with an FCA Huddle. Partner with me to bring the light of Christ to more schools in Duplin County. Together we can change the game for eternity!”
