## FELLOWSHIP OF CHRISTIAN ATHLETES

**“..serving Him..in the  
fellowship of the church.”**

---

## Mission:

To present to coaches and athletes, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.

## Vision:

To see the world impacted for Jesus Christ through the influence of coaches and athletes.

## Our story:

The Fellowship of Christian Athletes is touching millions of lives... one heart at a time. Since 1954, the Fellowship of Christian Athletes has been challenging coaches and athletes on the professional, college, high school, junior high and youth levels to use the powerful medium of athletics to impact the world for Jesus Christ. FCA focuses on serving local communities by equipping, empowering and encouraging people to make a difference for Christ.

## Church Partnership

For 60 years the Fellowship of Christian Athletes has successfully presented the Gospel to hundreds of thousands of coaches and athletes all across the world. Our goal is to help those coaches and athletes make next steps in their walk with Christ. Helping coaches and athletes plug into the local church is imperative for spiritual growth. Recognizing this, we are excited to partner with area churches for an excellent community outreach opportunity that will truly impact the lives of thousands of middle school and high school students throughout Onslow, Duplin, Jones and Carteret Counties.

### **Team Meal Ministry**

The meal ministry is the most tangible way to serve our coaches and athletes. We feed them physically and by also sharing a motivational devotion we're helping them connect life on the field with life off the field.

### **Middle/High School Club Huddle Leader**

Serve your local school by leading a weekly huddle (Bible study). Each school has weekly, bi-weekly or monthly huddles before school during lunch or after school where coaches and athletes come together to study the Word and grow in their relationship with Jesus Christ. Leading a huddle is the perfect way to help students dig deeper in their walk with Christ.

### **FCA Team Character Coach**

FCA Team Character Coaches are spiritual leaders who invest in a specific team of their choice. Character Coaches not only deliver pregame devotions and postgame prayers, you will also be on the sideline with the team to cheer them on.

### **Post-game Party Sponsor/Host**

Some of the best outreach comes after a big home game. FCA post-game parties are a great way to give back by simply hosting a safe and fun environment for students to celebrate. Post-game parties run from 10-11pm and include a devotion, games, food and fun!

### **Adopt A School**

FCA strives to impact our community by investing deeply in each school. We do that through regular huddle meetings, post-game parties and much more. Adopting a school is a commitment to partner with FCA to impact all of these critical service areas on a weekly basis.
